

Write in the number of each king of Judah as your teacher tells you about him. Make a smile face or frown face to show if the king was good or bad. Put an "I" on the scroll that shows when Isaiah talked for God. Put an "E" on Ezekiel's scroll.

## Lesson 22

### Map Work

1. Have students locate Israel on their map, put their finger on it
2. Have students locate Judah on their map, put their finger on it – Remind children that once this was one kingdom, but it divided after King Solomon died.
3. Have students locate Assyria on their Map
4. God allowed Assyria to come in and destroy Israel.
5. Put an X on Israel
6. Have students locate Babylon on their map. This was home to King Nebuchadnezzar.
7. Tell students that Babylon came in and took over Assyria.
8. Put an X on Assyria
9. Finally, Babylon will come and completely destroy Judah.  
He will burn the temple that was built by Solomon.
10. Students can spend some coloring the map.
11. Keep map for next week!!

## Lessons About Bread

We are not talking  
about food we eat  
(bread), We are  
talking about sharing  
our bread (Jesus)  
with others.
